I am Mikibo, 31 Years old
Art Director with 13 years of
experience in Branding, Gaming
and iGaming fields.

I have a proven track record
working with top companies such
as CapCom, Zynga, Pixar - Disney
Studio, EA Games, and THQ
Nordic.

Throughout my career, I was
managing and motivating teams,
with an individual approach.
Under my leadership with my
team, we have created and
launched JetX, a game that
generated a revenue of \$3 million
in under two weeks, with
continued popularity on major
platforms like Parimatch.

I support my artist and designers
with new updates on tools and
trends. This way we always learn
and grow together as a team and
Individuals.

I will be more than happy to share
more details about my experience
via online or offline meetings.
